## Residential/Commercial Pergolas

Designed and manufactured in the USA, the Henry Building Systems Pergola will bring a design richness to your home or business property.

Made from “rough sawn” UV treated white pine and custom steel brackets, it is guaranteed for a minimum of 40 years in the desert sun or the harsh Midwest winters.

Available in custom built kits and are available for shipment throughout the US.

Regardless of the size of your pergola, the Henry Building System Pergola will meet and exceed your dreams.
