

# Luxury Apartments

*Henry Building Systems introduces a line of luxury apartments.*

*Whether your needs are for a single unit or multi room apartment, Henry Building Systems can customize any building specifically for your needs. Professional offices, full family apartment, rooms for ranch help, or safe rec-room, the options are endless!*

*Don't think you have the space? Henry Building Systems can optimize any area to include an upper level living space, fully functional man cave, or living quarters behind the work area. Functional layouts, and space saving technologies help you get the most out of your building!*

Henry Building Systems is the leading manufacturer of clear span buildings. With over 35 years in the steel building industry, Henry Building Systems has the experience necessary for your next building project. Commercial, industrial, retail, agricultural, residential, storage, Henry Building Systems offers both Pre-engineered and custom designed buildings. Not only do Henry Buildings look great, and last a lifetime, they are the most energy efficient and the strongest buildings ever offered by any manufacturer, even exceeding International Building Code requirements. Contact a Henry Buildings sales rep today!
